**The FIRST Antichrist BOMBS dropped in the Battle of Armageddon were Dropped on America, By the Beast. (1913)**

Who do you think put Woodrow Wilson in Office? Answer: The Rothschilds who wanted to get a Central Bank in America. (The “Federal Reserve Bank.” )

1897 – First Zionist Conference in America. Why here? ...  
... We are the “New JerUSAlem.” (Rev 21)

1911 – Rothschild Rep’ Paul Warburg came to the U.S. to start the War of Armageddon – UNBEKNOWNCE to any American. Wilson was a Professor, and College President in New Jersey.

Republican William Howard Taft was President. So, Warburg, and the Beast machined American Politics. They got President Teddy Roosevelt (“RoesnFeld”), Republican, to run as a Third Party Candidate (“**Bull Moose Party**) in 1912, to SPLIT THE Republican Vote, and let A **Non-Politician, Woodrow Wilson WIN.**

Who do you think GAVE Wilson the idea of “14 Points” to promote the idea of a “League of Nations,” World Govt. But, before we go there. <<What happened in 1913, UNDER Wilson and the Democrat Congress?>>

1. Federal Reserve Bank was created.
2. 16<sup>th</sup> Amendment made the UNCONSTITUTIONAL Income Tax – **2<sup>ND</sup> Plank of the Communist Manifesto** LEGAL in America.
3. 18<sup>th</sup> Amendment empowered the Federal Government BY Destroying the Power of the States to control it. **State Governments no longer had “Representative,” in Washington, D.C.** The ELECTION of U.S. SENATORS was taken away from State Governments, and given to the Vacillating and Emotional Public, at large.

By the way, ... When I asked Google (phone) “What changes to U.S. Government took place in 1913?” That Major Organ of **the Beast (Google) DID NOT include the 18<sup>th</sup> Amendment.** This shows you how the Beast thru Wikipedia can alter our documentation of history.

National Day of Prayer

National Day of NO F-Bombs.

Adam,

Thank You, Thank You for responding to the Holy Spirit. God piqued your interest, and you came to me with a desire to hear me. I believe you had an Epiphany.

You are God's Man, as am I. NOW, we, Soldiers of Christ must ACRT in the Name of our King. With your Fighting Spirit, POWER of Persuasion, and knowledge of Scripture, you can carry this TRUTH to the World.

We need to start a Spiritual "Prairie Fire" in America, even as Paul did in Europe.
