

THERMO-DYNAMICS and the Climate Change Scam

By: CHRISTIAN KNUCKLES

The reason that the Political Left wants us to have electric cars, and electric money is CONTROL. Electricity is easily controlled, and technology has made all appliances (applications of electricity) subject to the “remote control” of electricity.

For Example: In my battle with the Beast, when they were stalking me, one time My LOCKED Chevy Colorado started, remotely. I was indoors next to the driveway, outside, when I heard it start. When my friend and I went out to the truck, The Engine was HOT. (I had waited to go outside out of fear – I admit it.)

The whole idea of converting the energy in fossil fuels into electric energy is scientifically foolish. It is horribly INEFFICIENT: A Lot of Energy is lost in the conversion. And, that means unnecessary HEAT is being pumped into the atmosphere. But, the enemies of God care nothing for truth. In fact, they get spiritual power every time they repeat the Lies that Satan gives them. [Satan is the “Father of Lies.” (John 8:44)]

Let me explain the science. Let’s compare identical Electric and Petryl powered cars. Electric car companies proudly advertise a range of **300 miles**. So, **how much energy does it take** to go 300 miles?

For simplicity’s sake let’s call that amount of energy to be a “300 miler.”

To charge an EV, the fossil fueled **electric power station** must produce a “300-miler.” And, to travel 300 miles a petryl powered car must BURN ONE-“300 miler” of fossil fuel (“gasoline”).

HERE’S the Problem:

To produce **ONE-“300 miler” of Electricity**
takes SIX-“300 milers” of Fossil Fuel.

And, renewable sources of energy are so LAME it is IMPOSSIBLE to generate enough energy to power even one tenth of our fleet of combustion engines.

But, never mind *that* problem!! We should NEVER allow the Snakes in government to Compel the Market to shift to Electric Vehicles.

Even if the technology develops that allows for super-charging with renewable sources, there is no check on the Beast, the Political Left. The Founding Fathers knew that man is sinful, and so NO G-MAN cannot be allowed to control Law-abiding citizens – without checks on his controlling power.

Unchecked only Christians can be trusted – and not 100 percent. The majority of True Christians *can* be trusted because of the Spirit of God.

The Political Left is the Beast, and they care nothing about anything that does not increase their power. They are Master Deceivers. So, this Electric Vehicle “solution” is another example of them ignoring Scientific Truth, unless they can manipulate the results. They have actually corrupted the once incorruptible academic disciplines.

They were incorruptible because science was OBJECTIVE, and scientists were HONEST. That was when the Spirit of the Land was Holy. Unfortunately, the Beast made it subjective by soliciting prostitutes among the erstwhile scientists.

They seduced scientists by paying for research, wth tax-payers’ money.

GOG’s Evil Plan: For decades the scientists were not seduced, BUT the money attracted the cheaters – Snakes went into science with an eye for corrupting the heavenly Scientific Method. Corruption always starts with Antichrists in and out of government, working together. The Snakes in government use, so called, “government money” TO ENRICH their Fellow Snakes. Then, the Christians see this, and are TEMPTED by the Destroyers of Goodness.

After the Beast transformed America into Mystery Babylon in fulfillment of the Prophecy in the Book of revelation.

Verses of Revelation follow, on p.2, PROVING America is Christian Israel, e.g. True Israel.

Rev 12 – The Woman Persecuted

¹³ Now when the dragon saw that he had been cast to the earth, **he persecuted the woman** who gave birth to the male *Child*. [The Woman is Christian Israel, IN Europe.]

¹⁴ But the woman was given two wings of a great eagle, that she might fly into the wilderness [**America**] to her place, where she is nourished for a time and times and half a time, from the presence of the serpent. ¹⁵ So the serpent spewed water out of his mouth like a flood after the woman, that he might cause her to be carried away by the flood. ¹⁶ But the earth helped the woman, and the earth opened its mouth and swallowed up the flood which the dragon had spewed out of his mouth. ¹⁷ And the dragon was enraged with the woman, and he went to make war with the rest of her offspring, who keep the commandments of God and have the testimony of Jesus [\[C\]](#)Christ.

The Beast from the Sea

Rev 13 – The Beast from the Sea

The Beast from the sea. Entered America from Russia in boats starting in the 1880s.

¹ ... I saw a beast rising up out of the sea, ...

² ... The dragon gave him his power, his throne, and great authority. ³ And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. ⁴ So they worshiped the dragon who gave authority to the beast; **and they worshiped the beast**, saying, "Who *is* like the beast? Who is able to make war with him?"

⁶ Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. (Ref. Rev 2:9)

...

The Beast from the Earth

The Beast from the Earth is the Deceived Church of Christ. (Matt 24:24)

12 And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.

...

14 And he **deceives** those who dwell on the earth ... telling those who dwell on the earth to make an **image to the beast** who was wounded by the sword and lived.

15 He was granted **power to give breath [Life, movement] to the image** of the beast, that the image of the beast should both **speak** and cause as many as would not worship the image of the beast to be killed.

16 He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads,

17 and that no one may buy or sell except one who has [\[g\]](#)the mark or the name of the beast, or the number of his name.
