### The ATMOSPHERIC CARBON CYCLE

THE Carbon emitted by Bovine (Cows) is  
... NOT NEW to the EARTH.!!

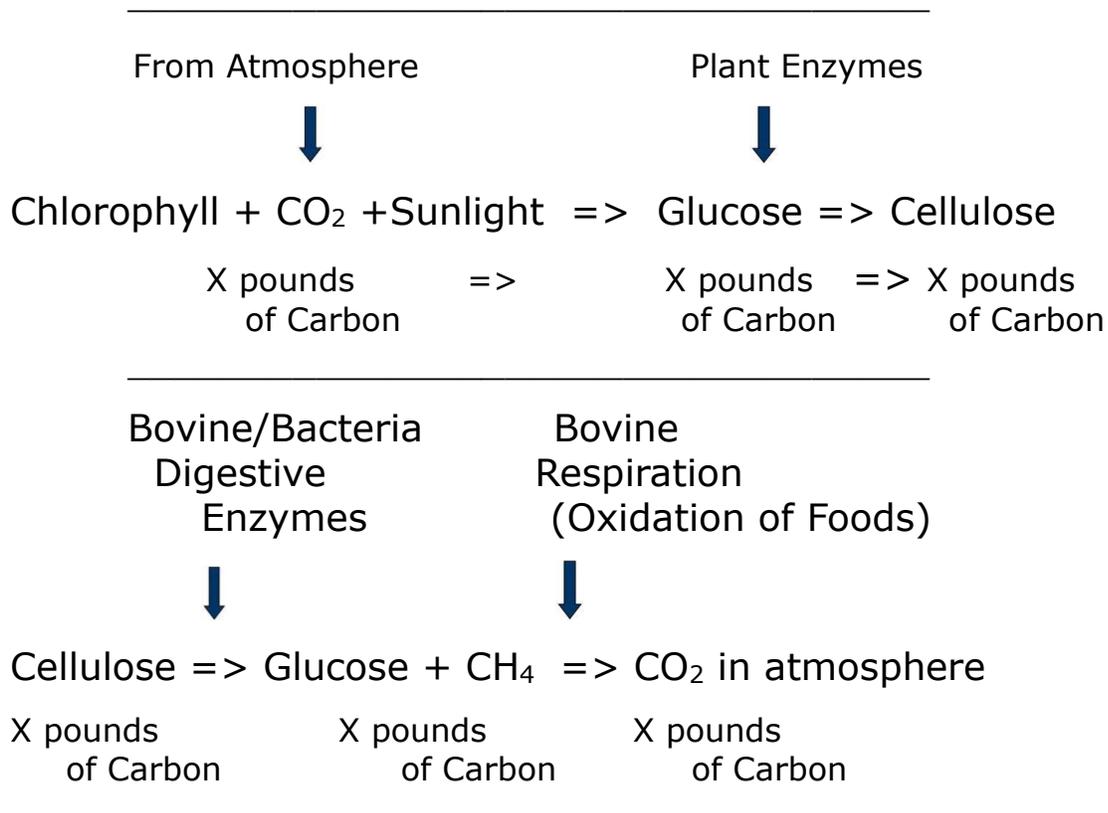

Let's REVERSE "Engineer" THE CARBON CYCLE.

#### **Bovine Digestive Gas**

Bovine (Cows) release Methane. This comes from the digestion of "Fiber," ie. Cellulose. The Carbon in the Methane released into the atmosphere ENTERED the Bovine in a blade of grass. The cow has bacteria that digests cellulose. This digestion (chemical process) produces, or more correctly, Precipitates Methane.

The Carbon in methane came from grass – cellulose

Cellulose came from Glucose that was synthesized by Chlorophyll in leaves of grass, plants, and trees – and, plankton in the ocean.

## The Climate Change LIE

Christian Knuckles

The Climate-Psychos are scaring us for political purposes – to establish a One-World Dictatorship and Tyranny – no justice.

The methane is NOT changing the carbon content of the Atmosphere.!!

IT'S A LIE!! The Whole Climate Change ISSUE IS A LIE. Beside the analysis, above, the fact is widely known that the Earth has Buffering Systems that "accommodate" or Buffer the changes in atmospheric chemistry. This fact is widely known among scientists, BUT The BEAST denies this fact access to the public.

The Carbon Dioxid ( $\text{CO}_2$ ) is absorbed by green plants, and Oxygen ( $\text{O}_2$ ) is released by the process of combining the  $\text{CO}_2$  into Glucose ( $\text{C}_6\text{H}_{12}\text{O}_6$ ). The more Carbon Dioxide there is in the air, the Faster Trees, Plants, Plankton, etc. grow. And, that growth is made of Cellulose: The growth TAKES  $\text{CO}_2$  OUT OF THE AIR.

So, DE-FORESTATION, especially of the Rain Fordests, is threatening the Climate BY destroying the Buffering System that God CREATED.

Yes, the The Enemies of God are pushing the Deforestation, and Fear-Mongering about the RESULTS of that SIN.

THE EARLY 1970S, as I remember, these same Snakes – masquerading as men, started Fear-Mongering about "A New Ice Age." But, that did not work BECAUSE "It was still getting HOT in the summer."

So, **THE BEAST ADAPTED**, Now, the **Global Warming** LIE is working BECAUSE "It ... (IS) still getting HOT in the summer."

This Hot Summer (thing) makes it EASY for the **Beast** to Deceive the public using their Media ("Power of the Air" [Eph 2:2]). Real Science would set us Free from their mind-control. But, they DENY the real science, and the public knows nothing, BECAUSE the Beast EITHER isolate the Public from the Truth, OR Viciously ATTACK TRUTH TELLERS.
